

Who has coverage under EPA's Multi Sector General Permit (MSGP) for industrial storm water?

Real time information is available through EPA's search tool: <https://echo.epa.gov/>

Here is a screen shot showing "Industrial Stormwater" as the water program area in the Search Type box and "Idaho" as the state. The search shown narrows it down to 3 counties.

The screenshot shows the EPA Echo search tool interface. The main search area is divided into two sections: "Search Type" and "Geographic Location".

Search Type:

- Choose a Search Type: Water
- Choose a Water Program Area: Industrial Stormwater

Geographic Location:

- EPA Region: All Regions
- Address: [Empty]
- City: [Empty]
- State: ID - Idaho (selected from a dropdown menu)
- ZIP Code: [Empty]
- County: [Empty] (highlighted with a red arrow)
- Facility Latitude (Example: 35.1789): [Empty]
- Facility Longitude: [Empty]

Search Criteria Selected (Summary):

- Search Type:** Industrial Stormwater
- Geographic Location:** State: Idaho; County: Twin Falls County, Gooding County, Jerome County
- Facility Characteristics:** Permit Status: Effective, Expired, Administratively Continued, Pending
- Results View:** Interactive Map (selected), Data Table

Buttons: Collapse All, Expand All, Related Tools, Help, Add More, Search

You can also select whether you want only "Active" permit coverage or also expired ones and facilities that have filed for the "No Exposure" waiver from coverage.

The screenshot shows the EPA Echo search tool interface with additional search criteria.
